"America's Freedom Fest has become the largest 4th of July celebration in the Midwest! An airshow and fireworks display of this magnitude requires a large financial obligation. We have not increased our general admission ticket prices since 1997 and our mission is to not raise them anytime soon. Gate receipts only cover about half of our total annual budget, so we rely heavily on our corporate and individual sponsors. This year is no exception. We have contracts for all of our airshow performers for 2018 and I have personally instructed the Madbomber Fireworks producers to "notch it up" another level for our fireworks extravaganza."

-Randy Sharkey
